## INTER OFFICE MEMORANDUM

Ref. NB.HO.DFIBT/ 3761 3770 /DFIBT-67/ 2016-17  
04 October 2016

**From: CGM, NABARD, DFIBT, Head Office, Mumbai**

**To : CGM/OIC, NABARD, All Regional Offices**

### **Support from FIF for setting up of solar powered V-SAT connectivity- Monitoring mechanism in SLBC**

Support is extended from Financial Inclusion Fund managed by NABARD to Banks for setting up of Solar V-Sat connectivity to Kiosk/Fixed CSP in SSAs allotted and also for the newly opened branches in Left Wing Extremism affected (LWE) districts.

Further, Banks have been advised to keep the SLBC informed with respect to the SSAs and branches in LWE districts where Solar V-SAT connectivity is to be established. Now, Banks are in the process of installing the Solar V-SAT consistent with the in-principle approvals accorded by NABARD.

To ensure effective implementation of the scheme and establishment of connectivity, kindly take up with the SLBC of your state and ensure that the progress of implementation is monitored in every meeting. The progress report may be shared with us on a regular basis.

We enclose herewith the latest list of bank wise sanctions accorded to V-Sat proposals from your state. A letter addressed to SLBC is enclosed requesting them to make it a part of regular agenda. You may kindly arrange to deliver the same.

**(Gautam Sen)**  
Deputy General Manager
